CANFIELD TWP TRUSTEES
21 S BROAD ST
CANFIELD OH 44406-1402

September 21, 2017

Dear Resident or Small Business Owner:

The Canfield Township Trustees have selected IGS Energy of Dublin, Ohio as the supplier of natural gas to participants in its Natural Gas Aggregation Program. You are eligible to participate with other residents and small businesses in the Township. You will automatically be enrolled in the Canfield Township Natural Gas Aggregation Program unless you notify IGS Energy that you do not wish to participate.

As you may recall, under governmental aggregation, Canfield Township acts on behalf of natural gas consumers in the Township to negotiate a gas supply contract with eligible suppliers. Both Canfield Township and IGS Energy have to be certified by the Public Utilities Commission of Ohio. Canfield Township voters approved the implementation of the program and Township Trustees approved Resolution 09-11-19-273 on November 11, 2009. Your participation in the aggregation program for Canfield Township will begin within one or two billing periods after enrollment with and end with your October 2018 billing period.

Your rate under the Canfield Township Natural Gas Aggregation Program will be **\$0.457 per CCF** through your October 2018 billing period. There is no charge to sign up and no charge to cancel. Please refer to the attached Terms and Conditions for full details of this offer.

You will be automatically re-enrolled in the Canfield Township Natural Gas Aggregation Program unless you choose to "opt out" – that is, to not participate. There is no cost for enrollment and you do not need to do anything to be included.

If you want to be excluded from the Canfield Township Natural Gas Aggregation Program you must return the enclosed "Opt-Out" form or contact IGS Energy at 1-877-353-0162 by October 11, 2017. If you do not opt out at this time, you will remain in the program until it expires with your October 2018 billing period.

Under this program IGS Energy will deliver your gas to Columbia and then Columbia will deliver that gas to you. Columbia will maintain the pipeline system that delivers natural gas to your home or business. Columbia will continue to read your meter and will continue to send you a monthly bill that will include the gas supply charge from IGS Energy. You will still contact Columbia regarding loss of gas service, odor of gas, or for any other concerns or issues having to do with your local service. Budget billing and automatic billing options will continue to be available through Columbia.

If you have any questions please call IGS Energy at 1-877-353-0162, weekdays, from 8:00 a.m. to 8:00 p.m. EST. For general information on natural gas deregulation in Ohio, you can also visit the Web Sites of the Ohio Consumers' Counsel (www.occ.ohio.gov) or the Public Utilities Commission of Ohio (www.PUCO.ohio.gov).

Sincerely,

Canfield Township and IGS Energy

*P.S. Remember to return the "Opt-Out" form only if you do **not** want to participate in the Canfield Township Natural Gas Aggregation Program.*

If the home or small business for which you have received this letter is not located within Canfield Township, you have received this letter in error. Please contact IGS Energy at 1-877-353-0162 to be removed from the aggregation list.

You are not eligible to participate in this program if you are currently enrolled in the PIPP program. If you are already under contract with a competitive retail natural gas service provider, you may incur a contract termination fee or other charges if you fail to opt-out of the aggregation program.
